

# WEEK THIRTY

THE ABORTION BREAKS TINY HEARTS CAMPAIGN

## Blink

By now, the baby can open and close her eyelids, and her eyes have developed enough so that she can sense light through her mother's womb. Her vision will be about 20/400 at the time of birth and keep sharpening in the weeks after. Her weight is up to around three pounds and for the next month, as she fills out and adds layers of fat, she'll gain half a pound per week.
